Southeastern District Health Department Gets a Website Facelift

Pocatello – Southeastern District Health Department (SDHD) launched their **NEW** website on Wednesday, December 6th, and can be found by visiting www.sdhdidaho.org. This website offers a myriad of information that includes all aspects of the health department. A sample of information of what the health department offers is:

- Environmental Health
 - West Nile Virus
 - Rabies
 - Mold
 - Food Control
- Health Promotion
 - Diabetes
 - Asthma
 - Tobacco Cessation & Prevention
 - Epidemiology
- Family and Community Health Services
 - Women, Infant & Children
 - Breastfeeding Education
 - Women's Health Check
 - HIV/AIDS
- Home Health and Hospice
 - Hospice Care
 - Home Health Care
 - Bereavement Classes

For a detailed list, please login to the new website at www.sdhdidaho.org or call 233-9080.

With this change, all employees of SDHD will have new e-mail addresses, please note this change. If the e-mail address was <user>@phd6.state.id.us it will now be <user>@phd6.idaho.gov. If you have any questions, please contact SDHD at 233-9080.
