SOUTHEASTERN DISTRICT HEALTH DEPARTMENT TO SPONSOR TREE LIGHTING
Program now in its 17th year

Pocatello – A memorial tree lighting will be conducted on Monday, December 3, 2007, at 6:30 p.m. Please come and enjoy the musical entertainment, inspirational message and refreshments for all. This traditional holiday project, now in its 17th year, will be held at Southeastern District Health Department (SDHD), 1901 Alvin Ricken Drive in Pocatello.

As people arrive, they may place bows on the tree in memory of their loved ones. Staff and volunteers will be available to assist in putting names or messages on the ribbons. Following the candle-lighting memorial services, the trees will be lit and will remain that way throughout the holiday season until January 2, 2008. Bows may be picked up between January 2 and January 4 if desired.

SDHD sponsors the program to enable families and friends to remember their loved ones in a special way at the holiday season. Anyone with questions should contact Karen Freeman at 478-6311.
